

EXECUTIVE SUMMARY

A **FrontEnd developer** with 4 months of experience in front-end development. *I've worked in Topcentile as intern for 4 months on 5 projects as frontend trainee.* A 2022 Civil Engineering graduate of Pune University interested in *Full Stack Web development*.

PROFESSIONAL SKILLS AND INTERESTS

- Expertise in HTML , CSS , JAVASCRIPT
- Expertise in Advanced CSS and SASS
- Familiar with web API's
- Authorization & Authentication
- Version control, GitLab
- Able to visualize and build proposed system

EDUCATION

Civil Engineering. Government College of Engineering and Research Avasari (Pune, Maharashtra).

- GPA: 9.3/10 (*Graduation Summer of 2022*)
- Was digital & marketing head of Cultural Club

HSC. Arts Commerce and Science Jr. college , Ajara (Kolhapur, Maharashtra)

- HSC Score: 78%
- CET score: 115/200

PROFESSIONAL SKILLS DEMONSTRATED

TopCentile

July 2022 – Oct2022

Frontend Developer Trainee

Managing frontend development of multiple projects at the same time.

- **Leadership skills:** Hands on experience with lifecycle methodologies and frameworks such as Agile, Scrum. Hosted many meets with clients. Discussed about design and strategy in team.
- **Communication skills:** Able to absorb, share & understand information presented. Worked effectively across teams, functional groups and division. Respecting others' points of view through engagement and interest.
- **Responsive Web Design:** Able to make web page responsive using media query and grid flex structure
- **Teamwork :** Worked on project as a team to execute our skills together in order to efficiently and effectively complete a project

DEVELOPMENT PROJECTS

Form builder: It is a web-based project, the project helps the user to create a page dynamically which contains logos and forms as per their input.

The technologies used are HTML and SCSS for UI and ES6 features such as JavaScript objects and classes to save user inputs in local Storage

Git repo : <https://gitlab.com/mean-july-2022/mean-ketan/x-form-builder>

Resume-page: Using tools like HTML5 and SCSS, I've created a responsive and accessible web page

Git repo : <https://gitlab.com/mean-july-2022/mean-ketan/home-page>

Forms : Forms is the project in which, I've created web pages such as sign-up ,login page, and forgot password with JavaScript Validations and data API's and also added a carousel.

Git repo : <https://gitlab.com/mean-july-2022/mean-ketan/x-form>

Landing-page: In this project, I've created a responsive web page having various cards with filter buttons and various animations such as an image comparison slider and image magnifier, etc. This project contains project cards that redirect the user to my other project

Git repo : <https://mean-july-2022.gitlab.io/mean-ketan/>

STUDENT LIFE & VOLUNTEERISM

Scholarship holder of primary and secondary scholarship taken by Maharashtra Government

Member of Civil engineering student association , volunteer of training and placement department

Cultural Club – Digital Head: Oversaw the management of digital publicity, marketing, and social media handles of club. With 30+ members.

Party Organization – Finance Manager: Oversaw the management of an ~20,000 budget, organizational accounting, and financial reporting for the Party of 120 students.
